

Thank you for your interest in being a Tamarack Community Partner! Since we founded the brewery in 2007, the importance of community has always been a foundational part of our business. In 2018, we transitioned from our weekly 'tap night' to our monthly Community Partner program, in which we choose a local non-profit organization that we believe provides great benefit to our community. We will support our Tamarack Community Partners by providing positive exposure, a platform for their cause, as well as a monetary donation to the organization.

From 5 P.M. – 8 P.M. every Wednesday of your designated month, we will donate \$0.25 of every Tamarack pint of beer sold. The donation is usually sent to the organization the first week of the following month. Please make sure that the address included in the application is your mailing address. We will only make checks out to your organization's name, no personal checks.

Because this is a 'partnership' we ask that you put in the time as well and take full advantage of this opportunity! We require a representative from your organization to be present at Tamarack at least three of the Wednesdays during your month. We will provide you a table in the front of the restaurant where you are welcome to display any information, distribute handouts, and have the chance to speak directly with our customers.

We will promote your Community Tap Nights on our website and social media platforms as well as provide you with Tamarack branded promotional materials for you to use in your own promotions. We hope that you will utilize your resources to promote your Community Partnership, and get the word out as well!

To apply to be a Community Partner, please fill out the attached application and email it to tapnight@tamarackbrewing.com. Please allow 1-2 weeks for us to review your application. If your organization is approved, we will contact you to confirm your partnership month. Upon approval we will ask you to submit a brief blurb about your organization as well as your logo file (.eps, .ai, .pdf, or transparent .png) at least two weeks prior to your partnership month.

Thanks again for your interest, and we look forward to hearing more about your organization!

Cheers!
